### **Tremont District Library**

#### **Library Re-opens**

Tremont District Library is opening our doors today, June 29th! We ask our visitors to wear face coverings and limit their visits to 30 minutes.

We're so excited for everyone to get the chance to pick their own books and movies.... in person. We've missed you! And in case you're not ready to visit the library yet, curbside service is still available.

For more information please visit our opening FAQ:  
<http://tremontlibrary.com/tremont-library-re-opening-faq/>

You still have time to register for Summer Reading!  
Summer Reading is for all ages, birth through adult. Visit [TremontLibrary.com](http://TremontLibrary.com) to learn more.

### **Tremont Museum Special Exhibit**

Save the Date! And it is a NEW date!

The volunteers at Tremont Museum can't wait to show you our special fundraising exhibit, "Apron Strings and Kitchen Things".

We have had to change the date twice because of the phases for re-opening Illinois. But this date is now settled.

The exhibit will open Saturday and Sunday, July 25 and 26 from 1-4 PM. Please watch this newsletter for more information. The exhibit is made up of aprons and vintage kitchen items from Tremont residents. This is one exhibit you won't want to miss!

The Agricultural Heritage Museum will be open, as well.

## Public Auction of Real Estate

Saturday, July 11, 2020 - 10:00 AM  
Elizabeth Mathers Estate  
1.95 Acres - House & Building  
21063 Townline Rd. – Tremont, IL

The sale will be conducted on the premises, in the barn if inclement weather. For details, go to:  
<https://www.auctionzip.com/Listings/3446244.html>

## Did you know...?

### Exciting News for Tremont!

From The Tremont News  
March 26, 1925

Frank A. Blue (Tremont Druggist) has installed a new Frigidaire Cooler for his soda fountain. It is something new on the market and does away with ice for packing and keeping ice cream frozen. With this arrangement, ice cream is kept in the cooler at a temperature of below zero. With this cooler Mr. Blue will be able to keep on hand at all times brick ice cream, something that was pretty hard to do under the old method of packing it in ice. With this cooler, a big savings is made in ice bills, besides having ice cream in good shape at all times.
